MAKE A MINNIE FORTUNE TELLER!

Amaze your friends by correctly predicting that laughter lies in their future with this awesome fortune teller!

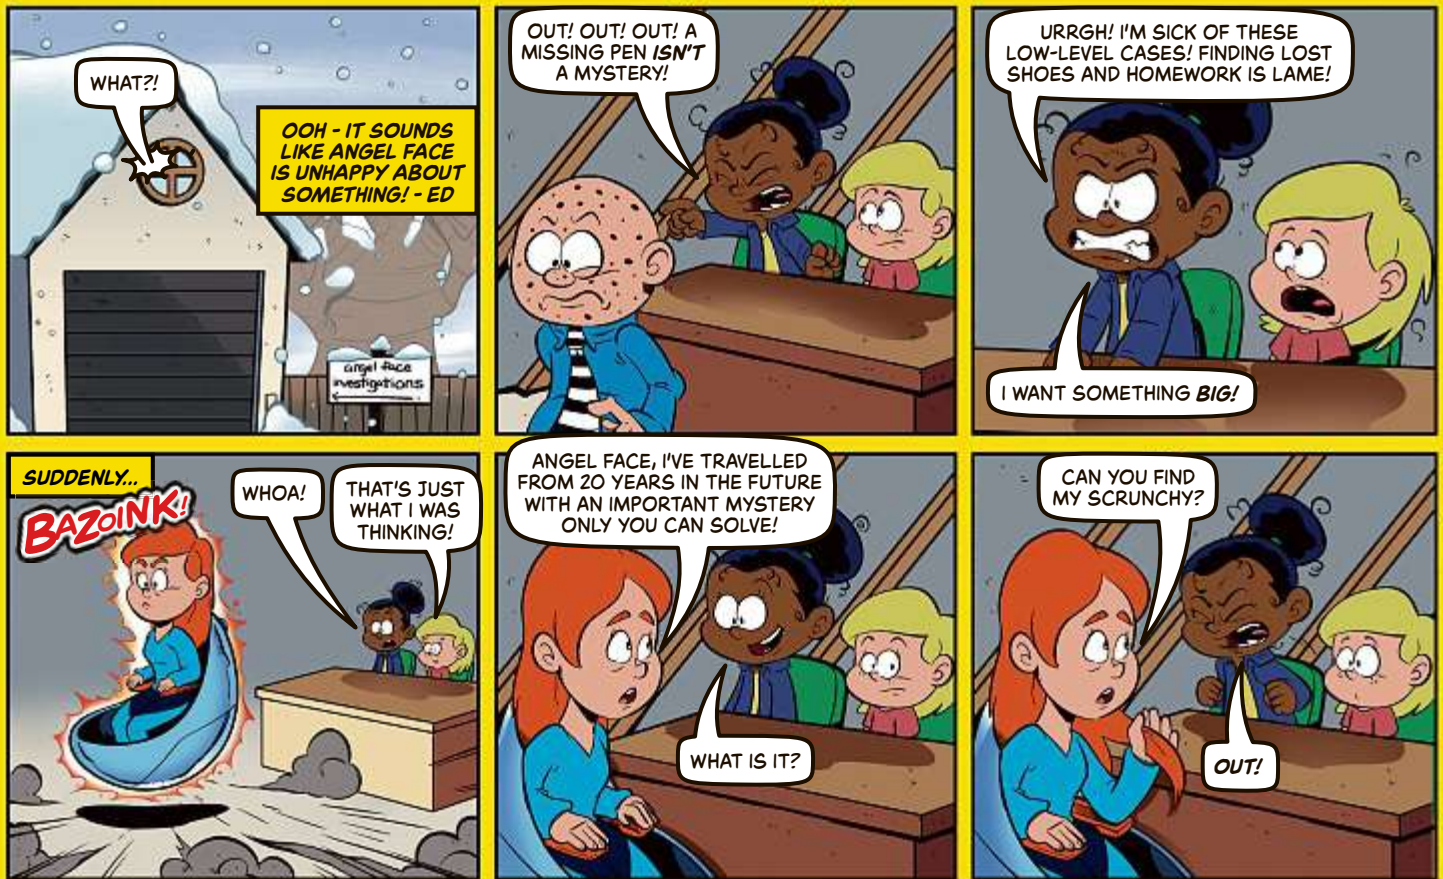

WHAT TO DO

1. Cut around the dotted lines and fold into quarters and unfold again to find the centre.
2. Flip over so this side isn't visible and fold each corner point to meet in the centre.
3. Flip over again and do the same on the other side.
4. Fold in half, so that the pictures of Minnie are on the outside.
5. Put your forefinger and thumb of each hand under each flap. The four flaps should meet in a point at the top.

HOW TO USE

1. Ask someone to pick a Minnie. Count out the number beside it whilst opening and closing the fortune teller for each number counted.
2. Ask them to choose a number. Count this out, opening and closing the fortune teller for each number counted.
3. Ask them to choose another number, then lift up the flap and read out the joke and the punchline below it! Laughter was **definitely** in their future!
